Mr. Scott Silverman

Dear Mr. Silverman:

I would like to extend my support to the Safe Homes Coalition (SHC) for their efforts to reduce the dangers associated with the abuse of prescription medications.

Over the years, there has been an increase in prescription drug overdoses, abuse, deaths and crime associated with this epidemic. With public safety being a priority for my office, I support the efforts set forth by SHC to reducing the accessibility of these prescription drugs to our youth and those who are not prescribed these powerful medications.

The work that the Safe Homes Coalition is conducting to educate the public on this national issue is to be commended and I look forward to working together to address this public safety issue.

Sincerely,

Kevin L. Faulconer
Mayor
